

Judge

I was wondering why my attorney Matthew Maddox would not consider the things I am saying such as: to file a motion for a rule 16. I have been here eight months only thing I have to work with is a discovery with ten thousand documents of people I don't know there has been foul play shown statements that the witness they are trying to use have five different stories I have Matthew Maddox for hard hearing transcript to match everything up Just wanted to be treated fair I am innocent and want to get to the next level so I can return to my family no evidence have been turned over

Thank you

MR Judge Anderson
